Old business:

Book Fair – Although; it went well, profits are down from last year. The committee decided to receive free books instead of actual money. It was noted that family shopping night was not well received this go around. Maybe a time change will help for next time. Book Fair Bingo was fun and we will continue that next year as well.

Scooby Doo Night – This event was amazing. The PTSO received very positive feedback from all parents who attended. The kids had a great time. Special thanks to Kathy Smith for all the “Scooby” decorations. The bakers were super creative and should be commended. All the left over puzzle pieces were donated to Ms. Hearn.

Mother Son Dance - another great night. The theme was well received and the committee did a great job. Pictures were posted in the Observer last week.

Flower Sale – May 5 and 6. To date, we do not have a profit number. However, all flowers were quite healthy and the kids loved picking out plants and flowers for their moms. Great job to the committee and helpers.

School Store -Next date is 6/8.

Jump Rope for Heart --- Profit on this event was not available.

Testing – Breakfast was available all week for 3<sup>rd</sup> and 4<sup>th</sup> graders. The PTSO provided cereal, oranges, juice and snacks.

Family Breakfast - No news to report; however, this event is approaching fast, and the PTSO needs to coordinate ASAP.

Race for Education: Scheduled for May 25<sup>th</sup> following the family breakfast. The PTSO is working closely with Mrs. Luck in preparation for this event. More info to follow.
