PTSO Minutes - Meeting dated 1/25/2011

Meeting started at 7:00 p.m. PTSO president, Danielle Mendez leads the group to the Salute the Flag.

Treasurer's report was available and accepted by all.

Mrs. Teresa Luck started the meeting with a PowerPoint presentation for a new fundraiser for Kennedy School Race for Education. Mrs. Luck explained how Race for Education works - basically, the children walk/jog around a specified area at our school and get sponsors for how many laps they make. Mrs. Luck indicated and provided the PTSO with a detailed packet on how to create this event. The PTSO agrees this will be an amazing fundraiser. PTSO will review and report back. Mrs. Luck is looking to have this event in May, 2011.

The PTSO talked about the Amelia Bedelia assembly. This assembly was well received the kids really loved it. Some kids were able to eat lunch with Herman Parish (as each class did a contest fit for their specific grade) The PTSO also purchased autographed books for all students.
